

Burnie Skate Park West Park Oval

Plans and Feedback

The plans for the development of the new Burnie Skate Park have been approved for consultation (see attached).

All **skate boarders**, **in-line skaters** and **BMX riders** are encouraged to provide feedback on the designs.

The Skate Park will feature the following:

- *890m² concrete skating area*
- *metal rails*
- *approximately 100 'tricks' ranging from beginner to advanced*
- *heights ranging from 150mm to 2400mm*
- *viewing areas*
- *landscaping*
- *seating*
- *paths*
- *concrete artworks*
- *3-phase power*
- *access to West Park Oval toilets*

The Skate Park has been designed to have the ability to be expanded in the future to incorporate the likes of:

- *vertical ramps*
- *entertainment space*
- *a 3 on 3 basketball court*
- *skating trails*
- *toilets*
- *night-lighting*
- *artwork space*

To assist the Council to build the Skate Park in readiness for the summer months, please provide feedback on the following questions by Monday 10th July 2006:

1. Would you consider yourself to be a:

beginner

intermediate

or advanced user?

2. Do you like the design of the new Burnie Skate Park? Yes No

3. Would you use this new Skate Park? Yes No

4. Which elements would you use the most?

.....

5. Do you have any suggested changes to the designs?

.....

6. Can you suggest any elements that could be included in the future?

.....

.....

7. Any other suggestions?

.....

.....

8. Do you wish to receive updates on the development of the new Burnie Skate Park? If yes, please provide an email address:
